Good Evening Assistant Secretary Petty, Dep. Assistant Secretary Travnicek, Dep. Assistant Cameron, Dep. Assistant Ferriter, Mr. Howke, Mr. Nichols, and Ms. Rae:

hope

everyone is doing well on this soggy Monday

. I'm writing to coordinate an

FOIA

Awareness Review with

Office of

Water and Science; Policy,

Office of

Management, and Budget; and, the Office of the Secretary

,

for USGS FOIA request 2018-00121 (see Google Drive link to the case file and the responsive records below).

Here is the list of senior DOI personnel who are either named in the records, who received

emails, or who sent emails to USGS individuals

and the corresponding PDF page numbers in the records

:

Timothy Petty, Assistant Secretary for Water and Science; page 15

Budget; pages 1, 2, 3, 4, 5, 6, 7, 8, 10, 13, and 15

You can find the
USGS
case file
(which includes the records in the B - Records to Release subfolder)
on Google Drive:

USGS-2018-00121 - Western Values Project

We have coordinated a legal review with
Mr. Tony Irish (Cc'd) in
the Office of the Solicitor, Division of General and the records are ready for the
Awareness Review. According to the DOI Awareness Process, please
respond within

72 hours and

"

silence will be taken as an affirmation that he/she have concluded his/her review

"

(page 2 of the DOI guidance).

Finally, please let me know if you need additional time to review the responsive records prior to USGS release.

Thank you very much for your time, assistance, and cooperation.

Good Evening Tony,

FYI....

Good
Evening Judy,
please share with whomever
may have a need to know.

Tim,
Joe and Dale,

FYI.....no action required.

Sincerely,

brian
